Bill Summary:

Establishes that for the days of August 13, 2015 and August 14, 2015, an excise shall not be imposed upon non-business sales at retail of ENERGY STAR products. **As the bill is currently drafted it would appear that all Energy Star products that are less than \$2500 would fall under this Energy Star tax holiday. This would include pool pumps under \$2500.**

Status:

A hearing has been scheduled for June 2 in the Joint Committee on Revenue.
