

Tips on making contact with a local elementary school and teaching a water safety lesson

- Contact your local school and ask to speak with the principal or contact your child's teacher
- Explain that May is National Water Safety Month and that you, as a professional in the pool and spa industry, would like to come to the school to talk about safe swimming in preparation for summer vacation.
- Consider ordering safety materials offered by APSP to distribute.
- Make a copy of one of the [National Water Safety Month posters](#), using artwork from the APSP Website, and give it to the school.
- Finish the lesson by taking the Safe Swimmer's Pledge! You can print out certificates for students to sign [here](#).
